

Local 4-H Association Volunteer Recruitment and Screening Committee Oath of Confidentiality

Agreement to observe confidential information

In the course of your involvement with the _____ 4-H Association as a committee member of the Volunteer Recruitment and Screening Committee you may receive information concerning a volunteer who is interested in volunteering with 4-H.

While believing that for the safety of our youth it is necessary to possess such information, we insist that such information be held in confidence and that it not be shared without written consent of the individual or family and the agency involved. Information you collect as a member of the Volunteer Recruitment and Screening Committee can only be shared with those people involved with this Committee. The Volunteer Recruitment and Screening Committee will recommend to the local Volunteer Screening Contact whether to accept or reject the new volunteer. The Volunteer Recruitment and Screening Committee will also make recommendations to the _____ 4-H Association regarding the dismissal of a volunteer.

In the spirit of respect for volunteers and their personal information, you are asked to make the following agreement:

"I, _____, from _____ agree not to divulge to others or to discuss with any one who is not required to know, any information which comes to me with respect to the volunteers or their families who hope to be, who are or who have been volunteers with the 4-H Association."
