

# TIME TO DESIGNATE

## Your Association Representative

The Ontario 4-H Council Annual Meeting (CAM) may be months away, but we're asking our 4-H Associations to have their Association Representative (AR) in place by the end of 2009.

Your Association Representative (AR) will be your voting delegate at CAM and will also have the option of running for the Ontario 4-H Council Board of Directors. Ask now to see if there is someone interested in fulfilling this role and helping us out.

If there is someone in your Association interested in running for the Board of Directors, please help them out and guide them into the AR role.

Members of the current Council Board will be contacting current AR's to see who is interested in running for the Board.

Having your AR in place will make it easier for everyone.

Any questions may be directed to your

- Regional Specialist,
- Patty Lasby, President, Ontario 4-H Council or
- Lyndon Stewart, Executive Director.

Please submit the name of your AR by January 1, 2010 to 4-H Ontario's Executive Assistant by calling 1-877-410-6748 ext. 474 or by emailing [ea@4-hontario.ca](mailto:ea@4-hontario.ca).

Thanks for your help!
