4-H Club News

Fenelon Beef Club

On Thursday, May 3, 2018, the Fenelon 4H Beef Club went to the Oakwood Elevators where they met with Dale and Dennis.

Dale and Dennis talked about the feed you should be giving your 4H calf. Did you know that adding garlic to your calf's feed may help keep the flies off them?

They also showed the group some of the different products available from Oakwood Elevators. Thank you to Dale and Dennis for taking the time to talk with the Fenelon Beef Club.

Do you know what you want to do after high school? Is your resume ready to get you the job you want? Does your cover letter highlight all of the skills that you have to offer an employer? Do you know what post-secondary option will help you to the career you want?

If you answered no to any of these questions, we can help you find those answers. At Career Mania you will hear from professionals, go on tours, take part in interactive activities and also learn about resumes, cover letters and career opportunities.

The conference is a great opportunity to explore and learn about careers while experiencing a university environment by using lecture halls, eating on-campus and living in dormitories, just like a post-secondary student.
