4-H T-Shirts

This year, the KLH 4-H Association will be giving each KLH member completing a 2017 club a green 4-H t-shirt. We are asking that 4-H Leaders gather shirt sizes for their members and then send the list to Elysha Bryans elyshabryans@hotmail.com or Julie Cameron cameronjacp@gmail.com. The t-shirts will be distributed to members at the KLH Dinner & Awards Program on Nov 25th. Parents, volunteers and leaders are welcome to purchase a shirt @ \$10.75 each. **Orders are due by Oct 10th. No late orders will be accepted.**

Congratulations KLH 4-H!!!!

We have been notified by MP Jamie Schmale's office, that KLH 4-H has been selected to receive the Haliburton-Kawartha Lakes- Brock Canada 150 Award! Our selection means that our community feels that we have shown outstanding citizenship.

Youth Adventure Camp Report 2017:

This summer I had the amazing opportunity to attend YAC (youth adventure camp) for the second time. I first attended YAC when I was 12 years old, this was the youngest age eligible to attend the camp. After having such an amazing experience the first time around I decided to go back to YAC for my last year. I definitely had an amazing time the first time around but this year by far was better. Being one of the oldest was great as I felt much more comfortable and knew what to expect, and I honestly made so many new friends that I continue to talk to daily.

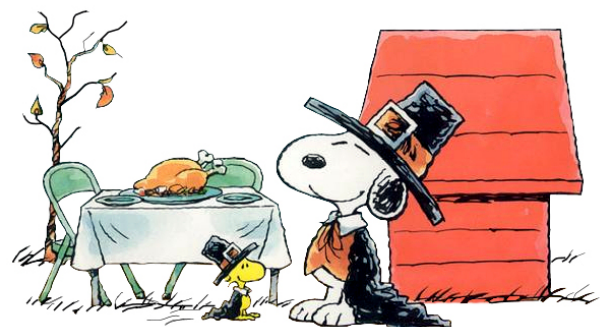

This year YAC was held at the Cedar Glen YMCA Camp near Schomberg and ran August 21-24. We arrived at Cedar Glen on Monday afternoon, lunar eclipse day, and right away got to go swimming as it was scorching hot. Each day consisted of the same basic routine; we were woken up by the yelling of our councillors at 7:30 and were to be at the gathering hall by 8:00am for morning energizers, breakfast followed. After breakfast we were split into our name tag colours and rotated stations where we worked on communication, leadership, and goal setting together. These activities took us up to lunch and afternoons were free time! Each day consisted of different activities including swimming, low ropes, capture the flag, archery, spoons, etc. These activities would take us right up to dinner, where we would enjoy another delicious meal provided by the camp and then would head back out for night activities. Monday night we learned new games with the YMCA councillors and enjoyed singing songs and sitting around the warm campfire. Tuesday night was "Minute to win it" night where we were given various different challenges where we competed to accomplish them in the best time possible. Finally, Wednesday, our last night at camp we had the opportunity to show off our different talents and perform in the talent show. As Thursday came it was time to pack all our things up and get ready to go home. Everyone was upset that it was already our last day at camp. We all received a book where we could get everyone to sign and collect numbers and snapchat in order to stay in touch.

YAC was such a great opportunity and I'm so grateful I was able to attend for a second time. I made friends from all around the province who share a common interest in agriculture and 4-H. In the coming years I would definitely love to have the opportunity to go back to YAC and facilitate, because it's just that much fun. I must say though that by far, the most memorable thing at YAC this year was awakening at 12am because the water pipes burst and the breaker box blew; and man oh man was that beeping ever annoying. YAC was great you should give it a try!
